SIDEWALK contractors were amazed last week as they watched giant crane "tilt-up" 18 of these 16,000 pound slabs to form walls of $2[illegible]0,000 super market project at corner of Hillside boulevard and Mission street. The massive sections were erected and fitted into place in a six-hour period. George Glasse, who will be the operator of the mart, said the project is 60 per cent complete and expects the store to be open for business by August 1. Lyal Ingersoll is contractor for H. H. Stites Gets 'Clean Bill' By Council

Meeting for five hours in a closed personnel session Monday, the city council absolved City Manager Howard Stites as having "absolutely" no connection with crime activity in Burbank at the time of his resignation as manager of that city in 1952.

City Attorney Frank Blum, who spent three days in Burbank last week studying Stites' record in connection with the 1952 crime commission investigations there, provided the council with the evidence from which they based their decision.

Material presented, in addition to Blum's report, included the 1227-page transcript of the Burbank police commission hearings, the report of the special state crime study commission on organized crime, a report of hearings held before the Burbank citizens crime prevention committee, and numerous written and verbal statements by former and present Burbank officials and persons connected with the 1952 investigation.

The investigation into Stites' background was fomented by a recent article in a national magazine telling of the clean-up of crime in Burbank. Stites was mentioned as the manager who resigned after the inquiry. The council directed Blum to Burbank to make the investigation.

The Better Government for Daly City group, which instigated recall proceedings against three city councilmen, promptly claimed through their spokesman Paul Selmi, city treasurer, that the article backed up their contention that Stites was a "menace to Daly City."

Council Refutes

But the council, basing their decision on the data supplied by Blum, direct questioning of Stites and several dozen letters, refuted the recall group's claim.

The council ruled officially that, "On the basis of evidence submitted to us by City Attorney Frank Blum, the report of the

See Turnout Of 3000 To Decide Trio's Fate

An estimated 3000 voters are expected to turn out Tuesday for Daly City's first recall election, in which citizens will decide the fate of councilmen Del Wilson, Sanford Vickers and Micheal De Bernardi.

Of the 10,937 persons eligible to vote, only about 30 per cent are expected to turn out because of the proximity of this election to the recent council election and because school district ballotting will be held three days later.

The first recall election in Daly City's 45-year history finds the three councilmen pitted primarily against City Treasurer Paul Selmi, leader of the Better Government for Daly City Group, which instigated the recall.

Three Charges

In recall proceedings which started in January, the councilmen were charged with "disregard of the rights and wishes of the people, questionable bidding procedures and permitting the violation of legally required fiscal procedures."

Free transportation to the polls will be supplied next Tuesday by Northgate Transit Co.

Persons seeking rides to their voting places may call the company at JU. 5-9958.

Polls are open from 7 a.m. to 8 p.m.

The first charge was prompted by the council's refusal to reinstate fired police inspector David Johnstone Jr., despite concerted pressure by the better government group. Later the superior court twice upheld the council's action in dismissing Johnstone, who was charged with "associating with a known gambler," and "failure to report all investigations to his superior officer." Johnstone's alleged friend was Dino Donati, of 19 Castlemont, 35-year-old pin ball machine distributor who was arrested last week on a charge of bookmaking.

The questionable bidding procedures claim arose from the council's awarding contract to the high-

Delay Plea Two Weeks For Donati

Dino Donati and Marie Y. Hammel were granted a two-week delay to enter their plea to charges of bookmaking and conspiracy in municipal court Thursday.

Donati, 36, 19 Castlemont, and Mrs. Hammel, 47, 1171 Brunswick, Donati's alleged employee, first appeared Tuesday and asked for continuance to Thursday. Judge Thomas L. Bocci granted a second delay and set May 17 as time for plea.

Donati, a pin ball machine distributor, was represented by Attorney Thomas Jenkins of Broadmoor, while Mrs. Hammel's counsel was Pat Kearns.

Mrs. Hammel, a housewife, was arrested last Wednesday in a raid at her home by Daly City police, district attorney's staff and internal revenue agents and charged with running a $1000 a day bookie operation. On questioning, she declared that it was actually Donati's operation and that she was only an employee.

Donati surrendered himself to police the next day.

Mrs. Hammel's husband, Frank, was arrested simultaneously last Wednesday by treasury agents and charged with failure to purchase a federal wagering stamp. He was picked up at Hunter's Point Naval Shipyard. His case is still pending before the district court.

Donati is free on $3000 bail, while Mrs. Hammel and her husband are at liberty on $500 cash and $1000 bond, respectively. Wilbur Sunderland, former Daly City police chief, posted bail for the trio.

Donati was a central figure in the 1955 firing of police inspector David Johnstone Jr. and has been linked with the group which is attempting to recall three Daly City councilmen.

He lives at 19 Castlemont in the Westlake area with his wife and two children.

In other municipal court action Thursday, George Burke, 6296 Misison street, bartender at a lo-

Donati Paid Wages For Selmi Workers

Dino Donati, 35-year-old pinball machine distributor who was arrested last week on a bookmaking charge, was closely linked with the Better Government for Daly City group, which initiated recall proceedings against three councilmen, it was learned today.

According to information just revealed, it was Donati who paid off the group's campaign workers on April 6, prior to the municipal election April 10.

On that day several high school girls were summoned from Jefferson to help stuff literature in envelopes for Paul Selmi, city treasurer and leader of the Better Government group. The work was done at the Mission Bell Motel.

The literature included Selmi's leaflets urging the public to vote for the Ross-Becker team for council.

After working three hours on the campaign material, the girls were paid off in cash by Donati, who was on the premises at the time.

Although Donati had in past months been openly against the council, he had never been listed as an active member of the recall group.

ELEMENTARY SCHOOL BUDGET UP $300,000 OVER LAST YEAR

Jefferson Elementary School district trustees reviewed a $2,003,672 budget for the 1956-57 fiscal year Wednesday night.

This total is nearly $300,000 above the 1955-56 figure of $1,705.34, but the tax increase will only be nominal, according to H. Z. Weibel, district superintendent.

According to Weibel, the present total tax rate of $2.14 per $100 valuation will probably be raised about 10 cents. Eight cents of this is to gain funds for contribution to the teachers and non-certificated employees retirement system, a mandatory payment, while the remaining two cents will be bond interest and redemption on new issues which were sold this year and are not yet being redeemed.

The 10-cent tax increase will cost an owner of an average home about $3 a year.

Salary Increase?

The $2,000,000 budget figure, however, does not allow for teacher salary increases, which will be discussed next Tuesday night at a special board meeting.

Weibel said the district was in "good" financial state because of the increment in state aid to the district this year. Actually, only $516,152 of the district's $2,000,000 budget will be gained from general purpose taxes, bulk of the remainder, $850,983, coming from ADA apportionment. Special allocation for growth will bring the district $68,000 in state money, while federal subventions will account for $15,000, physically handicapped, $14,000, community services, $18,110.

An estimated 10 per cent increase in assessed valuation over this year's $36,221,210, is also a factor in helping to "balance the budget."

The district will, however, have to sell some more of its bonds this year in order to impoverish itself to be eligible for further state Chapter 19 funds for new building construction.

Redemption of these bonds will not be included in this year's taxes.

In other action Wednesday, the board:

23 Resignations

1. Granted tenure to 13 teachers, bringing the total number of teachers with tenure to 66, while 68 remain on probationary status; hired teachers Joyce Saari, Margaret Dwyer, Sharon Guiles and Florence Fennessy, and accepted resignations from 23 teachers, many of whom failed to gain tenure.

2. Held over action to next Tuesday on problem of rear access to Benjamin Franklin school.

3. Agreed to protest granting of off-sale beer and wine license to A.B.C. Market, 499 Bellevue, at public hearing May 21 in Redwood City.

4. Asked for more inquiries on possibility of conducting survey on the district's curriculum.

OK Doelger Offer

5. Accepted Henry Doelger offer of $125,000 for Abraham Lincoln school site, subject to review of soil tests now being made on the site and receipt of a specific list from Doelger on improvements which he will install.

11 Graveyards Idle In Cemetery Dispute

The Associated Cemeteries of San Francisco, in a letter to Glenn Bowers, state conciliation service supervisor, agreed Wednesday to submit for arbitration its claims in the local cemetery strike, according to association officials.

It is now up to the Cemetery Works union to make a decision to participate in the arbitration.

All 11 members of the San Francisco Cemetery association were shut down Wednesday morning in action that began with striking by union members at two cemeteries Monday.

A last minute meeting between the association and the Cemetery Workers union Tuesday night failed to bring an agreement, and employers began laying off workers in retaliation for strikes, Monday, at Holy Cross and Home of Peace cemeteries.

Whether Wednesday morning's action was a strike or a lockout was debatable. Association officials insisted it was a strike, since "a strike against one is a strike against all."

On the other hand, William Becker, union secretary, said that workers had reported to their jobs as usual Wednesday morning, but that they had been told to return home.

The union flatly turned down the final association offer Tuesday night. Stuart N. Greenberg, president of the association, said his group offered a $1 per week increase in its three-year contract.

Cemeteries left open by Wednesday's action were St. John's in San Mateo, Golden Gate National cemetery in San Bruno, Holy Cross in Menlo Park and the Serbian cemetery in Colma.

Funeral directors said they had facilities for storing a number of bodies. However, they added, state health authorities would undoubtedly step in and order interment if the strike was long and if there were many bodies awaiting burial.

RECORD TO PROVIDE ELECTION RESULTS

Because of the intense interest shown in Daly City's municipal election returns April 10, THE RECORD will again supply up to the minute precinct results Tuesday night after the recall election.

Three phones will be manned and results will be relayed direct to THE RECORD by runners out in the field.

Early precinct returns should be available shortly before 9 p.m.

Election results may be obtained by calling THE RECORD at PL 5-4321, PL 5-4322 and PL 5-8543. Reports on the election's progress will be carried through 11:30 p.m.

JOHNSTONE SUES D.A. FOR LIBEL, ASKS $150,000

Libel suit asking $125,000 damages was filed gainst District Attorney Keith Sorenson Wednesday by David Johnstone Jr., who was dismissed from his job as police inspector last year for his alleged association with a "known gambler."

Johnstone, in a suit filed in San Mateo superior court just a day before expiration of the one-year statute of limitations, charges that Sorenson deliberately libeled him in a letter that told of his alleged friendship with Dino Donati, who was arrested last week on a charge of bookmaking.

Johnstone said he was fired last May 23 by the city council because of a "false and defamatory" letter Sorenson wrote to Daly City Police Chief Roland Petrocchi.

In the letter, the suit claimed, Sorenson threatened to withdraw

As the big prize in a local church bingo reached $500, the pastor warned players not to die of fright if they won the big windfall, "Because we can't bury you, the cemeteries are on strike."

County Supervisor THOMAS CALLAN SR. of Colma, who also serves as director on the local sanitation district, says he will resign the latter position if Councilman SANFORD VICKERS is recalled next Tuesday.

"He's the most valuable man on the sewage district since it was organized and has saved the taxpayers over $20,000," declared the opinionated supervisor.

"If he's recalled and we get a couple of monkeys on the board, I'll resign," the supervisor exclaimed.

DINO DONATI, while two police officers were searching helterskelter last Thursday to arrest him on a charge of bookmaking, walked into the police station, asked for one of the pursuing officers and left post haste when he was told the policeman wasn't there, before the officer at the desk had a chance to stop him. He finally walked in again about five hours later.

JOSEPH LEWKOWITZ, unsuccessful council candidate last time out, apparently thinks the recall will go through and he'll get another chance to run.

He's leaving all his political signs up urging voters to elect him to council. Pretty thrifty way to conduct a campaign. Two for

The three candidates are Herman G. Kalinin, 179 Citrus avenue; Donald Miller, 909 Reina Del Mar, Sharp Park; and Mrs. Helen Stout, 5 Fleetwood drive.

Deciding two seats on the Jefferson elementary board will be a portion of the 13,744 registered voters in the district. Candidates are Incumbent Michael Callan, 755 Hillside boulevard; Incumbent Joseph Lewkowitz, 501 Vista Grande avenue; William Beck, 431 89th street, Colma; Ralph Lewis, 528 B street, Colma; and Thomas Noonan, 471 C street, Colma.

Polling places, which will be listed in next week's paper, will be open from 7 a.m. to 7 p.m.

Set New Court Date For DC Boy Arrested In SF On Dope Count

One week's continuance was granted a 20-year-old Daly City youth who appeared in the San Francisco courtroom of Judge Theresa Underwood Wednesday afternoon for preliminary hearing.

The local boy, William Albert Brandt, 473 Knowles avenue, was arrested April 24 by state narcotics enforcement bureau agents on a charge of possession and transportation of narcotics.

Narcotics agents had been investigating Brandt's activities for several months, according to Inspector A. J. Gazzola, who led the probe. On the day of his arrest near Third and Howard streets in San Francisco, Brandt was in a car with a companion and was rolling what appeared to be a marijuana cigarette, Gazzola declared.

Brandt is now free on his own recognizance under the custody of his father.

COUNTY DELAYS DECISION ON WINSTON DUMP

Decision on granting permit for a 70-acre fill and cover dump site near Winston Manor that would be used jointly by scavengers of three cities was put over 60 to 90 days by the county board of supervisors Tuesday.

C. D. Allen of the county engineer's department said he still had from 60 to 90 days work before completion of a report on the advisability of locating the dump so close to a heavily populated residential area.

Scavengers from Daly City, South San Francisco and San Bruno are negotiating to purchase the property for approximately $165,000 from H. H. Smith, owner. The land is located west of Junipero Serra boulevard south of the Chinese Cemetery.

It would be used jointly by the garbage companies of the three cities, who now face critical conditions in each of their communities because of the lack of dump facilities.

Daly City Scavengers currently dump on the old Zanone land west of Junipero Serra, now owned by Chris McKeon, who is allowing the company to dump there on a 30-day revocable permit. Because the area will eventually be subdivided, McKeon will not allow the garbage to be burried, with the result that it wust be disposed of by burning. In recent weeks the fumes from the burning have created a smog-like condition in northern San Mateo county that has aroused many citizens, particularly in the Broadmoor area.

Appearing Tuesday for City of Daly was City Manager Howard Stites and Councilman Del Wilson.

8. Heard report from Weibel on progress of a dental health program for the district. Weibel said a group of dentists have agreed to examine the children free. It was agreed that January would be the best time to conduct the examinations.

Question Appraisal

9. Ordered appraisers of Lincoln school site to appear before board and, in the words of Trustee Hartley Appleton, "Explain to us how they earned their $500 fee."

10. Reported that unless City of Daly City comes up with a proposal for a joint recreation program by June 1, the money from the five-cent per $100 community services tax will go to capital outlay projects. Callan said the city had not fulfilled their agreement to match funds put up by the district.

1.. Heard complaint from 87th street residents that school buses were traveling too fast by 87th and Southgate intersection.

12. Discussed possibility of departmentalizing classes at Colma school so that each teacher would specialize in one class. This method, according to Trustee Mike Callan, would make easier the children's transition between grammar and high school. Principal Bernard Gerdes of Colma school pointed out that this was a question of "educational philosophy" and would require a great deal of consideration.

special crime study commission, the report of the Burbank citizens crime prevention committee and a transcript of hearings held before the Burbank police commission, we find there is absolutely no connection between City Manager Howard Stites and the unhealthy criminal condition existing in Burbank at that time."

Motion was made by Councilman Paul Hupf and second by Councilman Del Wilson, who said, "Whether I'm recalled or not, I'm going to give Stites my support." The council was unanimous in approving the motion.

Place On Display

In another motion, councilmen also unanimously agreed to place all material connected with the investigation on display in the police department for scrutiny by the public.

Sifting through statements of councilmen in office at the time of the criminal investigation and members of the crime commission, councilmen opined that Stites' resignation was actually forced by the council because of his cooperation with the investigating bodies.

It was also brought out that he incurred the council's wrath by appointing as temporary police chief a captain from the county sheriff's office who had been instrumental in the crime investigations. This followed the dismissal of the other chief by Stites for the former's failure to testify before the citizens crime committee. According to the record, Stites gave the chief the alternative of testifying or dismissal.

Stites was called before the council later in the evening and was asked by Hupf, "Wasn't there sufficient criminal activity so that it was in the open, since a citizens committee was formed?"

Appoints Vice Squad

Stites answered that he was aware of the criminal activity, and had even appointed a special vice squad, which made several major arrests in a period of a few months.

Then, he explained, the council dissolved his vice squad.

Verducci pointed out that the crime commission report stated that, "Although the council-manager form of government was in evidence in Burbank, the police chief was controlled by the council."

Stites said under the existing conditions he had thought of resignation but friends had counselled him to the effect that he should stay on and try to "ride it out" and that in the long run his remaining would be better for the city.

Reason For Dismissal

Stites said the principal reason for his dismissal by the council was his appointment of the temporary chief who had been investigating the councilmen and his cooperation with the special crime investigating committees.

Testimony in the transcripts and reports taken from the 1952 and 1953 hearings substantiated Stites' statement.

Councilman Floyd Jolley, who was one of those instrumental in forcing Stites' resignation and who was later voted out of office, expressed "surprise" when Stites volunteered information to the crime commission and cirticized Stites' action in hiring the temporary chief, "who we found out was investigating the council."

Jolley said, however, that Stites "was a good city manager, but bull-headed.

Another foe of Stites on the council at that time, Patrick Price, said that "the crime commission deal had nothing to do with Stites' resignation. He had to dominate every phase of government, was always going into policy, would usurp the authority of the council." He qualified his remarks by saying the "respected Stites' technical ability, but he would not follow instructions."

George Kirchhubel, local tavern owner and perennial foe of the Daly City council, had asked Blum particularly to see Price for statements. Kirchhubel himself had made inquiry into the Stites matter during a trip to Burbank earlier this year.

"Jolley Heads Council"

Ralph Hilton, also a councilman at the time of Stites' resignation, said that, "Councilman Jofley was the actual head of the council, though he (Hilton) was the mayor." His opinion was that the council had never interfered with Stites, "Although it was possible that Mr. Jolley may have."

Hilton said Jolley had declared Stites "double-crossed" the council by going to the crime commission.

Bonar Dyer, one of the organizers of the Burbank crime prevention committee, told Blum he believed that, "Stites was never asked to cooperate with the crime committee and that if he did, he would have been fired." This was born out, as Stites was forced to resign after going to the crime inquiry group.

Dr. Karl Stadlinger, a member of the crime prevention committee in 1952 and still a member of that body, told Blum that over a period of time Stites had been "pressured." He said Stites wanted to correct matters, but finally could not carry on against the council. Stadlinger pointed to the fact that Stites had taken a city of 20,000 population up to 75,000 population, and he lauded Stites as an "excellent administrator."

Letters of Praise

Thirty letters were read into the record, every one of them outspoken in praise of Stites as a city manager and "incorruptible" administrator. The authors of the letters included six former councilmen, six members of the crime prevention committee, five past presidents of the Chamber of Commerce, the present superintendent of schools and head of the board of education.

Although Monday's meeting was held as a personnel session, members of the press were permitted to attend. In addition, all information will be made a matter of public record with the exception of portions of transcripts of the Burbank citizens crime prevention committee which have not yet been declared public by the committee itself.

Johnstone Sues D.A. For Libel Asks $150,000

(Continued from Page 1)

cooperation of his office with the local police department because of Johnstone's alleged friendship with Donati, whom Sorenson termed "a known bookmaker and gambler."

The suit declared that Johnstone was fired because of this alleged friendship, but pointed out that Donati had never been arrested on the bookmaking charge.

Johnstone asks $50,000 general damages, $50,000 special damages and $25,000 exemplary damages.

The ousted officer is represented by Attorney John J. Fahey. Although Johnstone's dismissal was held unwarranted by the Daly City personnel board, the council's action in firing him was twice upheld in Judge Edmund Scott's superior court.

Sorenson told THE RECORD yesterday that he would probably file a demurrer to the action sometime next week.

He declared the letter to Petrocchi was written in the course of his law enforcement duties, and that to sustain a libel suit against him would set a dangerous precedent, inasmuch as such correspondence is an important part of any investigation.

REJECT THE POLITICAL BOSSES

With a recall election facing the citizens of Daly City Tuesday, we make a final appeal to the intelligence and good judgment of the voters of this community.

The only intelligent vote can be a "No" against recall.

We say this because we have seen the tactics of the recall group first hand. We know their aims and objectives, and they can in no wise be termed desirable aims and objectives.

Peeping from behind a facade of outraged indignation, the recall forces have shown their hand. Mock sincerity, pompous oratory and smear by innuendo may fool some of the people, but only a few gullible ones.

Their aims, aside from personal aggrandizement, are to see Daly City's government revert to days of old, when politics came first, government second. Thereby, they can exert influence over the workings of government and place their cronies in office.

Daly City is a growing city, and it needs an energetic policy of government to keep pace with increasing needs while at the same time keeping taxes from becoming prohibitive. This requires a business-like approach, and the business of running a city is tough enough without injecting politics into its weekly workings.

Should the recall group win control, instead of the council-manager type of government, we would have the boss type of government.

The steps forward made in the past few years would be altogether obliterated.

Never in recent years has an election here held so much importance to its citizens.

The prospects, should the recall group gain control, are terrible to contemplate.

A "No" vote against recall will return government to normalcy and reject at least for the time being the proponents of political bossism.

TEACHERS RAISE $153 FOR COLUMBIA SCHOOL RESTORATION

Dear Mr. Dayton:

In March of this year the pupils of the Jefferson Elementary School District were given the opportunity to join in a state-wide project to restore the old Columbia Grammar School in Columbia, California. This project was sponsored by the California Teachers' Association and the campaign was conducted locally by the Jefferson Classroom Teachers' Association.

The Jefferson Classroom Teacher's Association feels the success of this project was largely due to the wonderful cooperation it received from this paper in using the association's publicity releases and picture of the school. It was by this means we were able to reach so many parents and pupils.

The contributions received from the pupils and teachers amounted to $153.21, which has been sent to the California Teachers' Association.

Sincerely,
James W. Hough,
President, Jefferson Classroom Teachers' Assn.

MRS. McGEEIN SENDS THANKS ON LEAVING SCHOOL BOARD POST

Dear Sir:

Mrs. Mildred McGeein, trustee of the Jefferson Union High school district for the past six years, has announced that she will not seek re-election to office for the next term, beginning July 1, 1956.

In making this announcement she wishes to thank all of those friends and organizations, including The Record, who have so wholeheartedly supported her during her period of office. It is her hope that the district will continue to advance with educational facilities, ample to equip our young men and women with an education second to none.

Sincerely,
Mrs. Mildred McGeein

Another excursion trip has been planned for next month by the Pack committee which met Friday night at the home of James Shields, 32 Edgeworth, Colma, committee chairman. The June outing, details of which are being arranged by Shields, will take the form of a boat excursion in the Bay.

DEN 1 CUBS VISIT POINTS OF INTEREST

Dear Sir:

Den 1 has been visiting around Daly City. Last week we saw how type is set and how THE RECORD is printed. The week before we went to the City Hall. An officer showed us around. The Police Station was very interesting even though we didn't get to see the jail.

Saturday all the cubs of Pack 243 and their families had a spaghetti dinner at Our Lady of Perpetual Help School Auditorium.

This week a group of us cubs will become Webelos and meet at the home of Mr. Arnold, the assistant Cub Master. In six months we will become Scouts.

Village Notes

By Gwin Mitchell

PL 5-0679

With the advent of May, one of the special occasions of the month took place again just last week—the Silver Tea given annually by the Broadmoor Presbyterian Women's Association. Practically every Village woman put on her best bib and tucker and spent at least a few minutes enjoying the company, the music, and the refreshments she found at Sabina Fairbanks' Garden lane home. As always, there were the many beautiful flower arrangements to be admired, plus Sabina's beautiful garden, which is our idea of a gardener's heaven.

Old friends and ex-Villagers who came were Dorothy Blank from Sunnyvale, Reba Nye from Los Altos, Gladys Fies from San Carlos, and a special guest was Enid Cunningham, a friend of Leah Harrison's, who has just returned from 2½ years in Vienna. Of course, she and Lisa Moore had to be introduced! (Lisa is Viennese by birth). Enid is in the foreign service branch of the State Department, and has been in such fascinating places as Shanghai, Bangkok, London, and Singapore, and she will leave soon for duty in Bonne, Germany.

Another special guest was Mrs. Marsha Hoyt, the president of the San Francisco Presbyterial, and, of course, Mrs. Margaret Pauline Brown, without whom no church gathering is ever complete. They, with all the other guests, enjoyed the musical program presented by Memory Gomez of Garden Village, Carol Freeland of Daly City and Florence Winsor of San Francisco. Note of interest: Memory wrote two of the songs Carol sang, and pretty ones they were, too.

The voting for the winners of the flower arrangements was close. Erma Tarleton won first prize (a Hawaiian flower arrangement!) for her group of copper and yellow Japanese iris and pansies, and Sara Schuster won second prize (a white bracelet with a gold bangle) for her arrangement of white gladiolas and star-of-Bethlehem.

To the ladies of the association's executive board—many thanks for a lovely afternoon.

Teas and other gatherings being good places to pick up news items, we garnered a few. (Why is everybody so reluctant to call us with news? Help, help!) Leah Harrison told of a luncheon party she gave recently. Seems everyone met at her home on Gilman, and then went in cars to the Lazy V Chuck Wagon in San Mateo for lunch, and then to the Art and Flower Exhibits open house in San Mateo, which we hear was terrific. Enjoying all this were Doris Elliott, Erma Tarleton, Alta Davis, Olga Armentrout, Marjorie Sottille, Bernice Grove, Carolyn Cheshire, Ruthmary Warner, Bunny Gillespie, Helen Whaley, Sabina Fairbanks, Madaline Caruso, and Rose Muttalo.

Things we are glad to hear: Barbara Emery's engagement to Cliff Lawson. Both live on Midway, except Cliff is spending a lot of time with the U. S. Navy right now . . . Hank Reyes is back home (on Midway) from the Marshall Island. He's on leave, and wife Florence and daughter Roxanne are two happy people to have him home, where he's happy to be . . . . Gilman's Ruthmary Warner has had family visiting from San Juan Capistrano, her mother, Mrs. George Skelton, and her brother Paul . . . 87th street's Phil Carpenter is being quite the new car owner in his red and white Chevrolet.

When this sees the black of print, Dick Zylker will be fast approaching his W-Day, W meaning wrecking. He bought one of the four-unit apartment houses at Hunter's Point, and has been taking it apart for use as material in the addition he plans for his home on Nimitz. Only thing is he has to be all finished on Mother's Day, the 13th, or he runs into a few problems. That means three days from now. Many hands make light work—has about it?

The Cub Scouts meeting at Helen Mackintosh's house on Washington the other day were delighted to make the acquaintance of a black baby rabbit, pet of a neighbor's child. . . . Applause is due Tony Contreras for his outstanding work with Cub Pack 84; we've heard nice things about this from several sources.

Newest addition to the traffic on Maddux: an armored truck, slightly different from the assortment of jitneys, street sweepers, concrete mixers, small foreign cars, taxis, trucks, school buses, bicycles, etc., which are always going by the front door.

Cornell Holmes, Jr., of Stewart avenue is feeling kind of proud these days, and well he might. He placed 6th in a group of 100 boys and girls who participated in a Junior Rifle league match at Sharp Park range, and brought home a ribbon and a medal. His father, Cornell, Sr., has been taking a group of neighborhood boys to the Rod and Gun club for practice, everyone being duly licensed, etc., and looks like he's trained them well.

Sick list shows the names of Phyllis Cohen, who has lost her tonsils, Bruce Hix, who has had measles, the Garcia children, ditto, and the Toschi children, who haven't been feeling so good. Madeline Feist is having trouble getting rid of an unwelcome cold, and Neva Tracey has had her leg taped up for a while following a jitney accident. For all of these, and others, a very thorough wish for recovery.

Birthday of the week belongs to Linda Hurst, who is now 9. She invited fifteen of her classmates (Miss O'Rourke's 3rd grade) for ice cream and cake, and everyone was delighted with the decorations. Linda's father had spent a lot of time hanging most of their Gilman home with all sorts of colored streamers. Order of the day was games, ice cream and cake, and special entertainment provided by Linda, who danced for her guests.

Mel and Jane Hahn came back to the old stamping grounds for a few days' visit with all their Village friends, and managed to see just about everybody, we hear. They have a motel in San Luis Obispo, which is doing very nicely. . . . Another ex-Village family, the Merchants, came up a Sunday or so ago to visit their Sweetwood friends, and went back to Santa Clara with plans for a new Ford station wagon.

Speaking of vistors, Aida and LeRoy Larsen of Garden lane are thrilled to have LeRoy's family, Mr. and Mrs. Niels Larsen, here for a visit after not having seen them for 2½ years. Mr. Larsen works for the Arabian-American Oil company, and that means he lives in Saudi Arabia. There's one happy, excited group of people in the Larsen household, that's for sure.

After not hearing about them for some time, three Tupper parties suddenly showed up together, with Nimitz drive's Helen Zylker engineering them. Ann Petros, over Manila way, had Ann Andros, Cathy Dawson and Lou Yearsley over, and Edith Robertson invited Velda Peterson, Ruby and Doris Reindl, Rae Peterson, Ray Spencer, Phyllis Kullberg, and Nadine Guizith to her Nimitz drive home.

The third party belonged to Vivian Firneisz, who once lived on Larchmont and now lives in Daly City. Her guests were Catherine Arietta, Rosemary Lince, Vivian Sigler, Evelyn Dollison, Claire Meushaw, Stella McNern, Roselle Rezineli, Elsie Rudometkin, and Alice Kerekes.

Picked up some pretty interesting—and startling—facts the other day from Chief Ray Savage of the Broadmoor Police department. He is concerned lest the wave of auto thefts going on reach into the Villages, and has asked us to tell everyone to please lock all doors on their cars when they leave them out. As an added safety precaution, he is also asking people to leave their cars in their driveways instead of along the curb. It eases traffic congestion, and, most important of all, makes it easier to see children waiting to cross the street or about to run out into the street.

As for the facts, they were from the 1954 FBI figures on auto theft. Total cars stolen were 215,940 (of which 26,270 thefts were in California), which as approximately 10% of all major felonies. Larceny was 75% of all major felonies, and auto theft was 50% of all larcenies. Cases cleared by arrest were 27%, and 58% of those arrested were under 18 years old. Nationwide, over 80% of those arrested were held for prosecution, and 65% of those were convicted.

Leaders Of Recall Now Made Known, Citizens Group Says

"As the election nears, citizens are gradually gaining more and more of the facts as to who the leaders of the recall group are, "the Citizens Committee Against Recall said today.

"Knowing the source of this recall movement has given the intelligent voter some insight into the reasons for the recall," the citizens committee continued.

The committee pointed to the fact that Dino Donati, arrested last week on a bookmaking charge, took an active part in the recall movement.

"We have always maintained," the committee said, "That the recall was led by a small, but powerful clique. They gained signatures of good citizens by mis-representation and double-talk."

"Now, more than ever," the committee continued, "It is important that we maintain in office a council steadfastly opposed to inroads into the community by unsavory elements. Only by voting "No" on recall Tuesday will the community be free from the grasp of an unscrupulous political minority."

The Citizens Committee Against Recall now numbers more than 200 active members, many of them leaders in civic, school and professional fields.

They have conducted a concerted campaign in past weeks to inform the voters of the motivation behind the recall and the threat to Daly City's government should the recall go through.

"When the people see behind the political smoke screen the recall clique has created and learn some of the actual facts, they are generally in opposition to the recall," the committee added.

The committee urged every voter to "Look into the recall, see who its leaders are and see what the issues are before you vote next Tuesday. We feel assured that every right-thinking citizen will want to protect his voice in government by voting 'No' on recall."

JAMES KEENE WINS U. S. NAVY PROMOTION

The Navy Department announced the promotion on April 16 of James G. Keene, son of Mr. and Mrs. Dallas J. Keene of 98 Vista Grande avenue, Daly City, and husband of the former Miss Jeanene L. Boniface of La Porte, Ind., to teleman first class, USN, while serving aboard the seaplane tender USS Curtiss with the Pacific Fleet.

The promotion followed successful completion of a Navy-wide petty officer examination conducted in February.

News From Here & There

By Eleanor Doyle

No Visitors (Infant) . . . that's the sign that adorns the door of the Kirschener home on B street, Colma, these days. Not even the grandparents are allowed to visit two-month old Miss Julie since her return home from the hospital two weeks ago. However, every afternoon about 4 o'clock Julie, who is all of five and a half pounds now, puts in an appearance via the big front window.

On April 20 . . . Anthony and Pat Formosa of Lake Vista added another son to the family. Paul Richard is the name selected for their fifth child, who arrived at St. Marys' hospital and weighed in at seven pounds, four ounces. The new baby met with the approval of Peter who is eight, seven year old Joe, David who is three and two year old Miss Gina. . . . Pat's mother Mrs. M. T. Weisel from Phoenix, Arizona just returned home after enjoying a three week visit here with the folks.

Second Venture . . . for Anthony and George Formosa when they recently opened another delicatessen in the new Petrini Plaza.

Double Celebration . . . Last Sunday the Peter Boyles of Templeton were honored at a family gathering at the home of the David McKays on Hanover. The get-together was a combination birthday and going away party for the Boyles. A birthday cake was shared by Mom (Florence), baby Maureen for her first year and Peter who just turned nine. On June 1st Florence and the four little Boyles will leave by United Air Lines for a four month visit with her parents in Ireland. Dad (Peter) hopes to join his family later in the summer. The family gathering was enjoyed by the Herbert McKays, John Cochranes and Mr. David Watt.

To help Master Anthony Schrock of Acton celebrate his recent sixth birthday, his guests were a few of his classmates and friends from the Pershing school.

Some belated but happy birthday wishes to Ted Kirschener and Helen Louis, both of B street, and John Ubaldo of Clark street. All celebrated birthdays last week.

On May 12 at the William Loskutoff home on Wyandotte, the gals in the Jolly Nimble Thimble club and their husbands will hold their first pot luck dinner.

Mrs. Connie Nofziger of Clark street, past president of Colma PTA, says she plans on taking life easy this year. To date she has accepted the office of Parliamentarian, is a delegate to coordinating council and last but not least she has decided to become a den mother. Welcome to the take life easy department, Connie. Hear that Dad (Jake) is getting into the act and is going to be an assistant cubmaster.

Mrs. Phillis Ames of Abbot, a working mother, has taken time out to nurse her daughter, Miss Diane, through a bad case of measles. What was thought to be scarlet fever turned out to be an old fashioned case of the measles.

The Ernest J. Hills recently celebrated that very important first anniversary by entertaining just the immediate family for dinner at their Hillcrest drive apartment. Later in the evening guests arrived to help this couple fete the occasion. Ernest entertained everyone with a few musical selections on his accordion, while his bride of a year opened all her many lovely gifts.

Louis Coffaro of Whittier is sporting a walking cast these days, and with proper exercise, hopes to be joining his classmates and friends at the OLPH school real soon.

Wedding Bells . . . June 2 has been reserved by Erma Miller of Peoria for her marriage to Werner Honsalek. . . . The ceremony will take place at the Assembly of God church in South San Francisco. Erma is a former graduate of Jeff high and now attends the Berkeley University. . . . Werner is from Stutgardt, Germany, and at the present time is studying at the Bethany Bible church in Santa Cruz. . . . June 8 is the day selected by Erma's sister Roberta who will marry Claude Mack of the U. S. Navy, formerly of Texas. . . The wedding will take place on the island of Oahu, in the town of Wahiawa. . . . Roberta, too, is a graduate of Jeff high and at one time worked in the high school office. At the present time she is the only girl representative in Wahaii working in the mission field from our local Assembly of God church.

Bridal Showers . . . Although the honored guest (Roberta) was not here, a bridal shower was held last Friday evening at the Assembly of God church, Evergreen and Hanover. About 24 guests arrived with gifts for the bride-to-be, which were later mailed on to her. Good luck Roberta and June.

Visitors . . . Clarence and Catherine Woods with their two children are here visiting from Hutchingson, Kansas, with the Gene Radzikowskis on Abbot. The Woods, who are Navy folks, expect to leave for duty in the islands at anytime. . . . The Lyle Knoxes were busy last weekend entertaining his mother and brother, Wilbur and family from Los Angeles. Lyle's Mom who is from Iowa has stayed on to enjoy a longer visit with the folks on Parma. . . . This has been a busy week for Martin Kczmark of Willits, too, his sister and family are here from Chicago. . . . Last weekend found the Guy Sinicropis on Abbot busy with relatives from Washington.

Date with Dad . . . to help Miss Danine Rasmussen of Wyandotte celebrate that recent tenth birthday Dad (Ted) and daughter enjoyed an evening out on the town (dinner and the movies).

Blue Bird Dept. . . . Understand that we have two fairly new Blue Bird groups in this area. . . . Under the leadership of Mrs. Ann Craig of Los Olivos and her Assistant Mrs. Margaret Russi of Crocker this group meets every Tuesday afternoon at the OLPH school. The "Happy Blue Birds" are: Marsha Haney, Margaret Craig, Mary Ann Mumford, Patsy Plyer, Linda Sieno, Nancy Peterson, Carole Fredricks, Kathleen Neary, Donna Ricci, Donna Day, Janet and Kathleen Brush, Sponsors are Catherine Ricci, Jean Haney, Barbara Haney and the OLPH Mens club.

In the "Twinkling Blue Birds" we have Marialyn Achille, Faith Bolotin, Pat D'Antonio, Barbara DeLeon, Terry Khorge, Georgia Kinsey, Marilynn Ogata, Judith Oliva, Mary Panesi, Judy Scherf, Diane Thur and Gail Wyman. The girls meet every week at the Vista Grande Recreation center with their leader Mrs. Betty Panesi of Shakespeare and Mrs. Sally Oliva as her assistant. Sponsor is Mrs. Hedie Khorge.

It seems to be an off and on arrangement in the Wagner household on Evergreen these days. . . In the off department we find that nine year old Greta has just parted company with her cast after many weeks of wear, due to a broken wrist. . . . while brother Bruce who is home after spending a few days in the hospital, is on the convalescing list, sporting two casts, one for a fractured leg and the other for a broken wrist.

The Harpers, "Elmer and Edith" of B street, Colma, have added another addition to the family. Etta Louise arrived at the Kaiser hospital on April 30 and tipped the scales at seven pounds, seven ounces. The new baby met with the approval of five year old Ellen, two and a half year old Edwin and Evan who is one.

On April 22 Ronald and Betty Staff of Bellevue welcome their second son into the family. David Allen put in his appearance at St. Mary's hospital and weighed in at seven pounds, ten ounces. Big brother Gary, who is three, is quite pleased about the new arrival.

Instead of their usual meeting last week the Cub Scouts in den 1 and 3 of Pack 184 in Sterling Park got together and enjoyed a "weinie roast" at the Orange avenue park in South San Francisco. The Cubs were Richard Hillman, David Lewis, Brent Rusert, Jimmie Letcavage, Raymond Marshall, Skipy Del Sarto and Doug Gamblin. The den moms were Dorothy Hillman and Alice Letcavage.

Coffee Clatch . . . was given by Vic and Chris Nobles of B street, Colma, for Eleanore D. Nettle who is seeking the position of trustee for the San Mateo Junior college. Her interested listeners were Dorothy Hillman, the Tom Noonans, the Stanley Browns and daughter Barbara.

Moving . . . The Fred Oehlers of First avenue recently enjoyed a farewell party at the home of the Charles Gerughtys, when a few friends and neighbors gathered to wish them lots of luck in their new home in Concord.

Last minute . . . belated birthday wishes to Gene Gaviglio of Lausanne and Miss Tibbie Price on F street, Colma.

On Tuesday, May 15, the opportunity of having the last word is yours, so please get out and vote.

Transportation needn't be a problem as the Northgate Transit company (jitney) will drive you free of charge to your polling place.

Happy Mothers Day.

Introducing through the courtesy of THE RECORD a column which will appear here each and every week.

It is intended to transmit to the members of Colma Vista Grande Aeirie 1848, Fraternal Order of Eagles, the past, present and future happenings within the Aerie.

We realize many members do not or cannot attend our meetings, which by the way are still held each Thursday evening at 8:15 p.m., therefore it is hoped that this column will inform you of all possible events of importance. For example, our Worthy President, Joe Rayla, has enshipped for the Far East aboard the S. S. Cleveland. Brother Rayla has done a wonderful job during his term. His main accomplishment is to be the first president in five years to meet the membership quota. Records show 55 new faces this year.

The California State convention will be held in San Francisco on June 22, 23 and 24. Our Aerie is one of the four host Aeries.

Installation of officers will be held on June 2 at the Masonic temple. This is open to the public so try to be on hand to give your new officers a great start.

Big things are planned for the coming year. Read this column weekly for the news of the friendly Aerie, Daly City No. 1848, F.O.E.

Planners Ask Legal Ruling On Callan Annexat'n. Request

Daly City planning commission Tuesday night withheld action on application of Callan Realty Co. for annexation of portions of Seventy Five Dollar Homestead near Broadmoor.

The Callan firm proposes a $3,000,000, 425-unit apartment development there.

The commission withheld action pending a legal ruling on whether the land could be annexed with zoning established in advance.

Callan company asks R-3 zoning in some areas, C-2 in others. Generally when land is annexed it is not zoned until after it is officially within the city boundaries, commissioners explained.

The land is located between Edgeworth and Sullivan and 88th and 91st streets just off Junipero Serra boulevard.

The matter was put over to the next regular meeting June 12, during which time a legal ruling will be asked from the city attorney.

In other action Tuesday, the commission approved installation of neon signs at the following locations: Rosino's, 5999 Mission; Boats Inc., 1855 Junipero Serra; Coliseum Garage, 7252 Mission; and Cavalier Motel, 2363 Mission.

After passing on these routine requests, the planners agreed that in the future the applications for neon signs could be handled by the building inspector's office.

Fray Francisco Palou, a Franciscan father with Anza's party, took a leading part in establishing both the Presidio and Mission Dolores at San Francisco.

'DEN MOTHER OF YEAR' IS NAMED

Mrs. J. S. Calvin, 222 Whittier street, was acclaimed "Den Mother Of The Year" at last night's meeting of the Lake Merced Scout district.

She was presented with a bouquet of roses and certificate of merit by Councilman Paul Hupf.

Mrs. Calvin, a veteran of 11 years in Scouting, is not presently a den mother but is still active in leadership training and other parts of the Scouting program.

Naming of "Den Mother of the Year" was timed to coincide with the observance of Mother's Day.

Dan Andersen was chairman of the selections committee.

Dinner Raises $7000 For St. Martin's Drive

Building fund pledges amounting to $7,000 were made Monday night at St. Martin's Episcopal church dinner in the new Westlake auditorium, 331 Park Plaza drive.

Karl Morgan Block, bishop of California, spoke to approximately 200 members and friends of the nine-month-old congregation on the problem of providing churches for fast-growing communities and the hopeful outlook in the present-day revival of interest in religion.

U. R. "Jack" Kendree, Westlake shopping center business manager, introduced the bishop, as well as the Rev. Allen H. Downey, new vicar of St. Martin's, and his family, after welcoming the gathering to the new building and expressing the hope that many similar community affairs will be held there in the future. The hall has kitchen and dressing room facilities in addition to a seating capacity of 600.

William Hover, 81 Crestwood drive, young people's fellowship adviser, announced the after-dinner entertainment, consisting of two songs and a skit by the Sunday school, a mixed quartette vocal number, and a tenor solo by Kenneth Bradshaw of Parkmerced. Janie Buel, Jefferson high school student, was accompanist in the absence of George A. Ritter, 53 Cliffside drive, organist.

Bishop Block described the bonds as a "method of installment giving" and purchased the first one himself. He then acknowledged volunteers from the floor, and later made children's bonds available for $1.00 a month. Bonds will now be on sale continuously, with Mrs. Reuben H. Hunt, 11 Lake Meadow drive, temporarily in charge.

Construction is expected to begin this Fall on the church site at Bradley drive and Southgate avenue. Services are held at present in the vicarage, 94 Palmdale avenue.

Approximately $10,000 for the building has been raised to date. Next event in the building fund drive will be a rummage sale at Patrick's Rummage Room, 436 Hayes street, San Francisco, on May 23. Anyone desiring rummage picked up may call Mrs. Donald S. Piercy, 184 Northgate avenue, PL. 6-1530, or Mrs. Chester Mattison, 1775 Sweetwood drive, PL. 5-5275.

FAMILY PORTRAIT — The Reverend Allen J. Downey and his family arrived here Friday from Hawaii to take up his new post as vicar of St. Martin's Episcopal church, 94 Palmdale avenue. Here pictured are (left to right): Allene, 14; the vicar; Joseph, 6; Mrs. Downey, and Marilyn, 10.

St. Martin's Vicar Arrives From Hawaii

Bringing a floral greeting from the "little grass shack" town of Kealakekua, Hawaii, the Reverend Allen J. Downey, new vicar of St. Martin's Episcopal church, 94 Palmdale avenue, arrived by air with his family Friday in time to participate in St. Martin's Building Fund dinner Monday evening.

Laden with leis sent by their former congregation at Christ Church, Kealakekua, Kona, the new vicar, his wife, Margie Bertha, and their children, Allene, 14, Marilyn, 10, and Joseph, 6, were met by Warden and Mrs. D. R. Wainwright, 58 Cliffside drive, representing St. Martin's who themselves wore the leis and "aloha's" from Hawaii.

Prior to entering the Church Divinity School of the Pacific, Berkeley, in 1949, Downey was a petroleum engineer for 11 years following graduation in 1938 from the University of Kansas, his native state. He has served as a missionary in Hawaii since his ordination in 1952.

Regarding his new assignment, Downey said, "I am happy to find such a spirit of cooperation in my new congregation and am looking forward to a successful building fund campaign so that we may better serve the people of Westlake and its environs."

Teresa Etts Devoted To Sociability

Editor's note: This is the 24th of a series of articles on local women's organizations. THE RECORD will feature one of the groups listed in our files each week.

Meetings are varied, and besides the usual conversation of club women, feature different kinds of games. Visits to a bowling alley and movies are often enjoyed.

Big event in the near future is a party at which members' husbands will be guests of honor.

Other special event of the year is a Christmas party when secret pals are revealed and gifts exchanged.

Following is a list of members, Mesdames: Doris Stokowich, Rose Takka, Willma Fitzgerald, Fadora Catania, Jackie O'Shea, Frank Carney, Ray Bianconi, Richard Chauvin, Frank Mensaho, Joseph Perrone, Ben Silber and Darrell Cooper.

1500 Brave Weather For WCM Picnic

Almost 1500 Westlakers braved the threat of showers last Sunday to enjoy the first annual family picnic sponsored by the Westlake Catholic Mens club.

Scene of the picnic was Linda Vista park located in the foothills near Mission San Jose. The entire park, including all the concessions, was reserved for the Westlakers.

As the statistics show, the threat of rain did little to dampen the spirit of the families, according to R. V. Peyton, publicity chairman. One thousands favors were distributed to the children as they entered the park. Hundreds of the children participated in the twelve events from which 36 emerged as prize winners.

After the games, over 1000 bottles of Coca Cola and over 1000 cups of ice cream were given free to the kids. While the youngsters and many of the grownups played, many others of the families took this opportunity to renew acquaintances.

Chairman Dick Dwyer expressed his sincere thanks to all of the members of the committee who worked so hard to make this first annual picnic the success that it was.

Vote "NO" on Recall
Daly City Special Election
TUESDAY, MAY 15

Fellow citizens—By all means demonstrate your rights as free thinking Americans and citizens of Daly City by voting Tuesday, May 15.

And cast your vote against recall. Recall, like impeachment, is not the American way unless a man or group of men have been proven unworthy.

And in this instance, the three men are being accused unjustly and in malice. Ask any one of the would-be "better government" group to give you a signed affidavit listing the charges and proving them. They will not, because they can not.

FRANCIS SPONSORS ARE ANNOUNCED

The names of 60 sponsors of Louis Francis, San Mateo county civic leader and attorney, for the 25th district assembly in the June 5 primary were released today by Wilbur A. Bishop, Francis' campaign director. The list includes 30 prominent Democrats.

Heading the list of sponsors from the local area are:

Daly City: Republicans, Neil A. Nelson, Joseph L. Sarto, Hugh H. Smith.

Colma: Republicans, Mrs. Phyllis Edwards; Democrats, Robert D. Politis and Mrs. Helen M. Pedlar.

Sharp Park: Republican, Robert T. Hale.

In addition to the 60 sponsors signing nomination papers for Francis were more than 1000 others who signed his papers so that his name would appear on the special election to fill the vacant assembly seat from June to January 1957. Only 528 signatures were necessary to qualify for the special election.

Funds Appropriated For Local Armory

The house appropriations committee in Washington, D. C., alloted money to build an army reserve armory in Daly City, it was revealed last week.

Lt. Col Caisson Johnson, deputy chief of staff of the California military district, said the exact location of the armory was not known, because no site has yet been fully approved.

Col. Johnson said an army representative will be here at the end of this month to look over eight sites that have been recommended.

The fund, $444,000, was one of the three largest such appropriations set up for a dozen reserve facilities in northern California. It has been earmarked for an armory large enough for 600 men and for motor vehicle storage.

est bidder on purchase of heavy equipment.

The council based its action on recommendations of engineers, who said they would be receiving the best dollar value by purchasing the higher priced equipment.

Fund Transfer

Third charge, permitting violation of fiscal procedures, resulted from the council's action in transferring $10,000 from one fund to another within the water department, an action which the auditor, city attorney and a consulting legal firm claim was completely proper.

Mayor Joseph Verducci has already announced himself strongly against the recall, while newly-elected city father Paul Hupf has remained neutral on the issue.

In addition to voting on whether each of the three councilmen shall be recalled, voters will be asked to decide whether (in the event the recall is successful) the vacancies shall be filled by appointment or special election.

Polling Places

Thirty-six polling places will be open from 7 a.m. to 8 p.m., but the vote is not expected to come anywhere close to the figure for the April 10 municipal election, in which 6200 persons, or nearly 57 per cent of the registered voters, turned out.

OLPH CHURCH SCHEDULES ANNUAL PARISH NOVENA FOR MAY 20-28

Father James Bergin, pastor of Our Lady of Perpetual Help church, announced today that the annual parish novena will be held May 20-28.

The novena, Father Bergin points out, very appropriately opens on Pentecost Sunday, the birthday of the Church, for it was on this day that the Holy Spirit descended upon the Apostles, endowing them with wisdom, understanding and strength to effect the command of their divine Master, "Go forth ye, and teach all nations." Father Bergin relates that on this occasion the Apostles were engaged in prayer, having just completed the first novena or nine days of prayer spanning the time from the ascension of Our Lord into heaven and the coming of the Holy Spirit.

The word "Novena," he said, stems from the Latin "novem" meaning nine, and since the days of the Apostles this period of prayer and devotion has been observed by the Church.

Sponsors of the novena will be the St. Vincent de Paul society, Holy Name society, Mother's club, Men's club and the Marian club.

A cordial invitation is extended to all the people of Daly City to attend the devotions which will commence at 8 p.m. Sunday, May 20, and continue each evening until the close on Monday, May 28.

SFS A CAPELLA CHOIR SHOWS JOY AND ENTHUSIASM

By Leonore Brewer

Tuesday evening at the War Memorial building the Vista Grande Concert association concluded their second annual season by presenting the San Francisco State College A Cappela choir in a varied program ranging from a short work by Johann Michael Bach to two excerpts from "The Tender Land" by the contemporary America composer Aaron Copland.

Under the direction of Dr. Tegnell and, in some selections, accompanied by Loyd Carroll and John Hancock, this group of young singers brought an enthusiasm and joy in singing which deserved a much larger audience than were present to hear them.

The selections following intermission, particularly the two choruses from "The Tender Land," were better received than the opening half of the program, devoted principally to Ralph Vaughan Williams Mass in G Minor, which became a trifle tedious, despite excellent work by the soloists.

Enthusiastic Applause

At the close of the program the audience applauded so enthusiastically that the chorus sang the type of song that must have been composed to be sung as an encore, a delightful bit of Mozartian fluff about a farmer's wife who had lost her cat.

The members of the concert association should be very proud that their loyal support has not only made a local concert series possible, but has also enabled their association to offer a bonus concert which, through the cooperation of the Daly City recreation department, was made available to everyone.

Sunday Evening Rites Continue In Westlake

Sunday evening services at the Westlake Community Baptist church seem to find many interested adults as well as young people. The Sunday evening service, beginning at 7:30 p.m., is featuring the young people throughout the service. Gary Peterson and his trumpet and Miss Radine Christain with her electric guitar rendered special sacred music last Sunday evening.

Pastor Roy Milam said, "We will continue to hold Sunday evening services for those who are obligated to work Sundays in the support of their family."

Indians Play Warrior Nine; Try for NPAL Lead Again

With the weather-god's permission, Jefferson high school's varsity baseball team will try to regain the NPAL first place spot it lost several weeks ago at the expense of South San Francisco this Friday on the Warrior's diamond.

South San Francisco is currently tied with Capuchino, whom Jefferson downed twice, for first place with a 7-3 record. Jeff is one-half game behind with a 6-3 mark. An Indian win would put the Jeffs in good position for the title, with two games with Carlmont remaining.

The Warriors blanked Jefferson 3-0 in the only meeting between the clubs this season, April 25. That loss completed Jeff's slide from first to third place. Since then the Indians have won three straight and are right back in the title picture.

INDIAN SWIMMERS ENTER NCS EVENT

Jefferson high school swimming coach Rod Lossburger will send four of his boys plus a relay team into the North Coast Section meet this Friday and Saturday at Santa Cruz.

Varsity and lightweight swim trials, varsity diving trials and lightweight diving finals will be conducted this Friday, May 11. All swim finals and varsity diving finals will be held Saturday.

Representing the Indians in the varsity division will be Ray Lippert in the 100-yd. backstroke, diver Andy Ruelas and the 200-yd. medley relay team of Lippert, Bill Delucchi, Ray Del Pape and Bob Galindo.

Dick Rasor, entered in the 50-yd. freestyle and 75-yd individual medley, and diver Jack Green are the Jeff entries in the B division.

All of these boys placed in the PAL finals Friday at Carlmont as Jefferson, NPAL dual meet champ, placed fifth behind perennial champ Palo Alto.

Lippert, undefeated until the PAL meet, took third in the 100 back. Ruelas grabbed fourth in diving, although Lossburger expects him to do better in the NCS meet. The medley relay team also placed fourth in the PAL finals.

In the NCS meet Lippert will swim the backstroke, Del Pape the butterfly, Delucchi, who took fourth in the PAL, the conventional breaststroke and Galindo freestyle for the medley event.

Rasor, in the B class, made the best showing for the Indians. He took second in the 50 free in :26.6 although he was timed in :25.2 in winning the semifinals. Green placed second in the diving, only nine points behind the winner.

The Indians took 16 points in the PAL varsity division, behind 81 for Palo Alto; 57 for Menlo-Atherton; 31, Sequoia; and 24, Lincoln. In the lightweight divisions the Indian thirties placed sixth and the twenties took seventh.

MIDNIGHT WATCH DC CUP CHAMPIONS

Second place was claimed by the inspectors and motorcycle officers team with a 1143.

Motorcycle officer James Sunderland took top individual honors with a 267 out of a possible 300.

Runner-up to him was James Welsh with a 263.

Councilman Sanford Vickers, Tony Ricci and Edward Dennis were spectators at the match.

INDIAN GOLFERS TIE PALY; LINCOLN NEXT

Coach Mike Orlich's Jefferson high school golfers tied Palo Alto high school, 13½-13½, Monday on the Stanford course. Tuesday's practice match with Hillsdale was rained out after nine holes.

Wayne Guisti was medalist for the Indians with an 80.

MONGAN ELECTED PAL BOARD PREXY

John Mongan, Jefferson high school principal, was elected president of the Peninsula Athletic League's board of managers for the 1956-57 term at Monday's meeting of the board.

At the same time the board turned down a revision which would have replaced the current board of managers, consisting of the principal and some other administrator of each school, with the principal and athletic director from each school.

The board also:

1. Set a nine-game maximum season for varsity football teams.
2. Set a 20 game maximum season, excluding tournament and playoff games, for varsity and B basketball teams. A limit of 10 games was set for C and D teams.
3. Increased the size of the basketball free throw lane from six to 12 feet, beginning with the 1956-57 season.

RYAN THIRD AMONG NPAL F-S BATTERS

As a team, the young Jeffs were batting fourth going into the SSF games with an average of .257.

100 Already Sign-up For Daly City Links Tourney

One hundred participants have signed up thus far for the second annual Daly City Chamber of Commerce golf tournament at Lake Merced country club May 24 according to Peter Markovich, the chamber of commerce secretary.

Among the prominent golfers who have indicated they will put in an appearance are former city champs George Studinger, Ed Castagnetto and Bob Silvestri; Ken Venturi, three times city champ and 1956 Masters runner-up; and Einar Hanson, another local swinger of note.

And "there'll be lots of local hackers," Markovich said. "We're going to have lots of fun, and that's the main thing."

Markovich also announced that there will be a women's flight this year. Men's play will be conducted in three flights. There is already a list of 70 prizes, and trophies will be awarded to low net and gross winners in each flight.

Castagnetto won low honors last year with a 68. Hanson had the low net score.

Entrance fees are $10 for men and $7 for women. This includes a day of golf and dinner in the evening. Prizes and trophies will be awarded after dinner. "We even have a prize for the one who has the courage to turn in the highest score," Markovich added.

Cub Pack 84 Nears Loop Championship

Broadmoor Cub pack 84's undefeated 'A' team moved to within one game of its third National division championship in the West of Twin Peaks league with an 11-4 win over pack 1 Saturday at Balboa park.

Triples by Bruce Hix, Dick South, Mike O'Day and Wayne Podesta helped winning pitcher Ron Johnson to the victory. Johnson also socked a double, as did Bill Caster, John Vocke and Alan Contreras.

Pack 84 plays its final league game Saturday against pack 36 at 2 p.m. at Balboa park.

INDIANS PLACE 15 TRACKMEN IN PAL FINALS MEET TODAY

Jefferson high school's varsity track and field squad earned 15 places in the NPAL qualifying finals Saturday at Burlingame to lead the northern division into the Peninsula Athletic League meet today (Friday) at Fremont of Sunnyvale.

Strength in the field events gave the Indians eight places there, including two ties for first. They also picked up seven spots in the track events, even though sprinter Ron O'Rourke, who had qualified for the 100 and 220 finals, dropped out because of illness.

Burlingame was right behind the Indians with 12 places. The Panthers could prove a more potent threat in the PAL meet, since they copped eight first places.

Jefferson didn't fare so well in the lightweight divisions. The thirties qualified three men for the PAL meet, while the twenties placed five.

Pole Vaulter Al Arneson and high jumper Bill Curtis got the only first place shares the Indians could garner. Arneson tied with two others at 11' 3", while Curtis was involved in a four-way tie at 5' 8½".

Don Weisner, Lowell Klaisner, Jim Honeywell and Jim Farley each nabbed two places for the Indians.

Weisner qualified third in the high hurdles and fourth in the discus, Klaisner took third in the 100 and third in the 220, Honeywell placed second in the century and fourth in the 440, and Farley qualified second in the shotput and third in the discus.

Others were Andy Estigoy, who placed second in the 1320, and the relay team, which placed third. Reed Grandy ran fifth in the 660, and will be the NPAL's alternate in that event.

Among the twenties qualifiers were Harvey Marston, low hurdles and broad jump; Dean, shotput; and the relay team.

North Coast Section, Group II, meet is scheduled for May 19 at Salinas, with the North Coast meet slated for May 26 at Berkeley.

Competition was held in three divisions for six events. Wolf division was for eight year olds; Bear division for nine year olds and Lion division for 10 year olds.

The South boys, Dick and Bob, ran away with individual honors at the meet. Dick, competing in the Lion class, took first in the softball throw, hardball throw, 80 yd. dash and broad jump, and was on the winning relay team with Mike O'Day and Doug Shanoian.

Bob grabbed first place in the Wolf division in the softball throw, hardball throw and 40 yd. dash.

Bruce Hix and John Vocke, in the Bear class, scored double wins. Hix snared the softball and hardball throws, while Vocke took the 80 yd. dash and the broadjump and ran on the winning relay team with David Mahoney and Jimmy Fisher.

Other winners in the Wolf division were Andy Aiello in the baseball throw, Stewart Brown in the broadjump and the relay team of Aiello, Brown and Bruce Brudwig.

Doug Shanoian's first in the Lion 40 yd. dash, and Jim Orlich's win in the Bear 40 yd. dash accounted for the other first places.

A pennant was presented Den 8 as the winner, and ribbons were awarded first four places in each event.

Cubmaster Warren Vocke, chairman of athletics George Landess and all Den mothers joined in organizing and supervising the meet.

Housewife's Auto Plows Into Traffic Signal

A Daly City housewife was cited on two counts Sunday when police said her car knocked down the signal pole at Mission street and San Pedro road.

Officers said the woman, Mrs. Martha R. Bergstrom, 39, of 442 San Diego avenue, was driving north on Mission street when her auto plowed into the signal.

Mrs. Bergstrom was cited for failure to obey a traffic light and for driving without a valid license.

Two six-team leagues have been tentatively planned, according to Lou Martin, Jefferson high school baseball coach. One will be for boys 12 years, 11 months old and under, and the other for boys between the ages of 13 and 14 years, seven months.

Plans call for the leagues to start June 16, with games scheduled for Saturdays at Marchbanks park.

If you're saving for your family's future...

Where you save does make a difference

Saving *now* makes a difference to your family's future. There's a difference *where* you save, too. Saving in an insured Savings and Loan Association means important advantages. Excellent returns from your money is one advantage.

Another is efficient service from men who know how to make your dollars work harder for you.

Your money is safe because in insured Associations your savings are protected by sound management and substantial reserves. They are insured up to $10,000 by the FSLIC—an agency of the U. S. Government.

These are the reasons why Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else!

Vote "NO" on Recall

DALY CITY SPECIAL ELECTION TUESDAY, MAY 15

WHY?

Because

1. By approving recall, you will be turning over your voice in government to a powerful political pressure group.
2. Numbered among the recall backers is a man who was last week arrested for bookmaking . . . the same man who, along with other members of the recall group, bitterly denounced the council for its action in dismissing a police officer. But the three councilmen refused to yield to the demands of this group.
3. Most active member of the "Better Government For Daly City" political group is the City Treasurer Paul Selmi. He is the same man who waged an extensive campaign in 1954 for the election of two of the men he is trying to recall. The reasons are obvious. These councilmen had the courage to vote independently and refused to act as Selmi's spokesmen, thus incurring his wrath.
4. There are no valid charges against the three councilmen, and there never have been any.
5. Should the recall group win control, government in Daly City will be dictated by this militant minority.
6. As a citizen, you have the rights to duly elect your officials at regular four-year intervals. Recall is an important tool of democracy, but it has been mis-used in this case and will continue to be wielded as a power politics bludgeon if it is successful.
